

# Proclamation over the State of Florida

“Declare His glory among the nations, His wonders among all peoples.” I Chron 16:24

“You will also declare a thing, And it will be established for you; So light will shine on your ways.” Job 22:28

We declare that Florida has been chosen by Jesus to stand for Justice and Righteousness as a beacon to the nation. It has already begun!

We declare that Ron DeSantis is a godly man who was chosen and anointed by our Lord for the task at hand and we are grateful that God has shown favor over Florida by anointing this man for this task at this time. We pray and cover his Attorney General, Ashley Moody and his Surgeon General, Dr. Joseph Ladapo. Give them all the wisdom and courage they need to bring forth Your Justice and Righteousness into the State of Florida. We say that business, government and ministries will work together in Florida for God’s purposes.

We declare that the stage is set for revival to break out in Florida and it will not be like other revivals. It will be a fire that starts in one or more locations and it will spread like wildfire throughout the state and the throughout the nation! Repentance will come and fire will come! Let it begin in Florida!

We declare that prayer warriors are rising up in all 67 counties in Florida and we will pray in unison for Jesus, Justice and Righteousness to prevail in the state. We say the Florida is for Jesus and Jesus is for Florida.

We believe that the Lord has earmarked more than 2,000,000 souls to be harvested in Florida. This includes those that have never known Jesus, those that knew Him and slipped away and those that believe but are living dead and unfruitful lives. So these prayer warriors, this Air Force of God will push out the kingdom of darkness and create an environment for the kingdom of God to flourish and expand!

We declare that the kingdom of God will expand in the land and transformation will occur in all areas of life. We say that crime will go down, church attendance will rise, drug use will decrease, human trafficking will be stopped, abortion clinics will be closed, Godly businesses will thrive, Godly people will run and be elected into office and our government will be a

lighthouse to the nation. Dangerous neighborhoods will be healed, safety and security will be preserved, and our liberties will not be taken away!

We declare that families will be restored, churches with pure motives will be filled and the fire of God will burn, celebrities will be saved and take a stand for righteousness, our education system will be healed, prayer will be allowed in our schools and America will no longer be slandered by our educators. We thank God for America!

We declare that the news media in Florida will not be compromised and will speak the truth. We declare that our medical system will be healed and get back to patient/doctor focus and support healthy solutions to COVID and other illnesses vs putting profits first. We come against COVID in all forms, we say that no weapon formed against us will prosper and COVID will fade away into the sunset just like every other plague and it will stop being used to erode our God given rights as citizens.

We say and declare that life begins before birth and the unborn must be preserved and protected.

We declare that people like us are rising up all over the state of Florida and the nation. We say that likeminded people and organizations will join forces! We have a voice, and our voice will grow! Wake up church, wake up citizens, wake up Florida for your redeemer draweth near!
