### Reference Bible Translations

AMP - Amplified Bible Copyright © 2015 by The Lockman Foundation, La Habra, CA 90631. All rights reserved.

KJV - In 1604, King James I of England authorized that a new translation of the Bible into English be started. It was finished in 1611, just 85 years after the first translation of the New Testament into English appeared (Tyndale, 1526). The Authorized Version, or King James Version, quickly became the standard for English-speaking Protestants. The KJV is public domain in the United States.
